

## Petition for Road Name

By Resolution #Z-93-05, the Commissioners of St. Mary's County established a Road Naming and Addressing Manual and provided for its modification and amendment. Also in 1993 the County Commissioners established an official road name list. Requirements for amending this list were included in the Road Naming and Addressing Manual. Chapter 66 of the Official St. Mary's County Zoning Ordinance authorizes the Planning Director to correct any clerical errors and delete the names of unused roads from the list. The Planning Director may also approve a change in the name of a road when a petition has been duly submitted, bearing the signatures of 100 percent of the owners of properties abutting the road. When such petition contains less than 100 percent, the procedures of the Road Naming and Addressing Manual shall apply. The Planning Director shall have the authority to approve the name of any new road without a hearing before the County Commissioners.
